Other Important Information:

The competition is a rain-or-shine event. No refunds will be given to registered participants. Blocks will be assigned by The Summit and will consist of a random section. Some blocks may have cracks, color or texture variations. Each participant will be assigned a 5x5 chalk-block area by The Summit (the full area of the block does not have to be used). We recommend that participants bring a towel/cushion to sit on, a hat, sunscreen, a bottle of water, and a snack. Participants should bring their own chalk, chalk pastels, and blending tools if they wish, but no variety of paint is allowed. If participants would like to have a helper, they may, but they are limited to one extra person in their same age group, for a maximum total of two people working on one block. (Please note that two-person teams will be treated as one entry, so any prize awarded must be shared.) Chalk art must be family-friendly and appropriate for all ages. Final chalk art designs will be approved by The Summit by Friday, October 12th.
