GIVE LOVE

**It's our 11th year and we have donated nearly
a million pairs of shoes...the journey continues!**

More than 300 million people worldwide are without a single pair of shoes – leaving them vulnerable to injuries and infections, yet every year, millions of shoes are thrown away in landfills.

Please join with Brighton as we partner with Soles4Souls, a wonderful charity that collects new and gently-worn shoes (men's, women's, and children's) and distributes them worldwide.

Since 2007, Brighton has collected and donated nearly a million pairs of gently used shoes to Soles4Souls to help children and adults in need of this simple yet life-changing gift.

**Please bring shoes to be donated to any Brighton Collectibles store.

By participating with us in this drive you are taking a step toward making the world a better place.
